

PLEASE NOTE: ADA Regulations require that all guest room number signs be placed on the wall, on the latch side of the door, 60" from the floor to the center of the sign (see diagram below). The room number sign should NOT be installed on the door itself. If the door becomes damaged during removal of the old guest room number, you may purchase an optional retrofit door plate. This door plate is strictly decorative, and conceals any marks, screw holes, etc., left from the removal of the old room number.

Guest Room Number

Installed on the wall,
on the latch side of door.
(preferred ADA Location)

Retrofit Door Plate

Optional & strictly decorative;
may be installed on door to
conceal damage from removal
of old room number
