## POOL AREA SIGNAGE

### POOL RULES

- Any person using a public pool must take a cleansing shower using warm water and soap and thoroughly rinse off all soap before entering the pool enclosure. A user leaving the pool to use the toilet must take a second cleansing shower before returning to the pool enclosure. A person who exercises, applies lotion, or uses a sauna or steam room must shower before using the pool.
- No person with or suspected of having a communicable disease which could be transmitted through the use of the pool shall work at or use any public pool.
- A person with a considerable area of exposed subepidermal tissue, open blisters, or cuts must be warned that these may become infected and be advised not to use the public pool.
- Spitting, spouting water from the mouth and blowing the nose in the pool is prohibited.
- No running or rough play, except for supervised water-sports, is permitted in the pool, in dressing rooms or shower rooms, on runways, on the diving board, or platforms.
- Glasswares and similar material with a tendency to shatter on impact is not allowed in the pool enclosure area.
- Domestic animals are not permitted in the pool enclosure, showers, or dressing rooms.

## PLEASE NOTE:

State and local codes may require your pool and spa area signage to have certain text, layouts and copy sizes specific to your area.

If code-related signs are needed for your project, we will quote them in place of the brand standard signs.
